NOTICE TO THE BAR

FORECLOSURE FILINGS – FORECLOSURE CIS – REVISED COUNTY/MUNICIPAL CODE TABLE

The Foreclosure Case Information Statement ("Foreclosure CIS") requires the entry of a four-digit municipal code number. The purpose of this Notice is to advise of revisions to the list of municipal code numbers.

The New Jersey Judiciary's Automated Case Management System's (ACMS) County/Municipal Code Table lists all of New Jersey's municipalities by county with each municipality being given a four-digit code number. The appropriate four-digit municipal code from this table, located at http://www.judiciary.state.nj.us/forms/CN11343_municodes_11-9-2009.pdf, must be entered on the Foreclosure Case Information Statement where indicated. Code numbers drawn from other public tables, such as the Municipal Court code table or the Division of Taxation municipal code table, may not be used in the Foreclosure CIS.

Effective November 9, 2009, the ACMS County/Municipal Code Table will be revised, with certain municipalities being given different numbers and resequenced accordingly within the table. As of that date the revised Table will be posted at the address shown above.
