Below the navigation bar is a "SHARE" button and social media icons. The main heading is "Attorney Registration and Payment". Underneath, there are two sections: "Returning Users" and "First-time Users - One-time Account Setup". The "Returning Users" section includes a "Login" button with a blue arrow pointing to it, and links for "Forgot your User ID?" and "Forgot your password?". The "First-time Users" section explains that a temporary password is used once and provides instructions for firms and individual attorneys. The firm instructions include finding the User ID and temporary password in a mailed letter. The individual attorney instructions include logging in with the unique User ID and temporary password from the 2015 billing form and creating a permanent password.

Registered Users Log In

Log in using filer's User ID# (Bar ID) and Password.

Appellate Division eFiling System (NJ eDATA)

[eDATA Login](#)

NJ eDATA (New Jersey Electronic Docketing of Appeals and Tracking Application) is an interactive, web based application to assist attorneys, in good standing, to complete or upload legal forms for Appellate court matters in all case types.

The Appellate Division electronic filing system system (eDATA) was developed under Chief Justice Rabner's initiative for an electronic filing system of court documents, records management, and repository.

Upcoming phases:

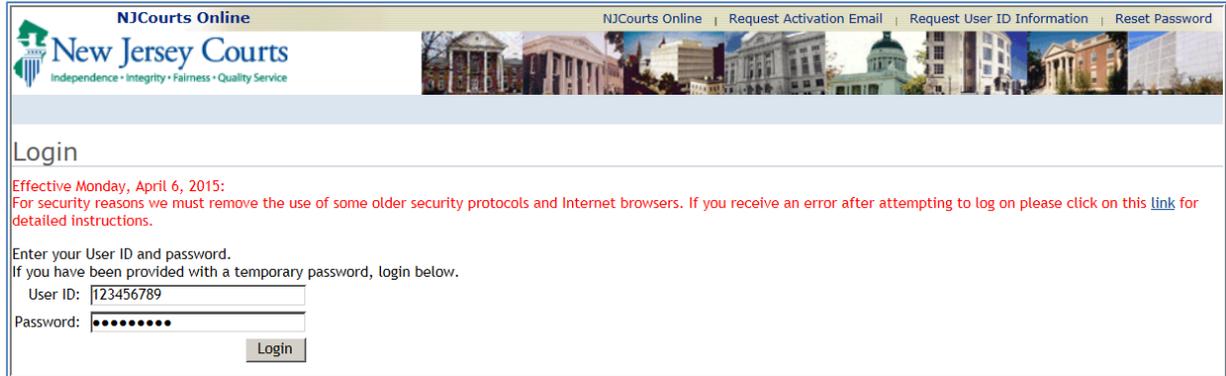

June 29, 2015, eDATA is available to the attorneys who have a JACS (Judiciary Account Charge System) collateral account.

In the near future, eDATA will be available to all attorneys when the system for using the credit card application is made available.

Attorneys who want to use the system should inquire about a JACS account. [Click here](#) for information.
