## **Monmouth Vicinage Probation Division Hosts Job Fair**

The Monmouth Vicinage Probation Division will host a job fair on Thursday, June 16 from 10:30 a.m. to 2:30 p.m. at the Ocean Township Probation Office, 2407 Route 66, Ocean Township.

Representatives from more than 25 potential employers will meet with participants to talk about positions available in various industries, such as restaurant and hospitality, retail, construction, automotive and the military. Completed employment applications will be accepted at the fair by some of the employers.

The job fair is targeted to probationers currently under supervision; however, individuals with involvement in any court-related matter may attend.

The job fair will enable participants to learn about local employment opportunities and also will allow employers to identify qualified candidates quickly. A number of probationers obtained employment through a previous job fair held by the vicinage in March 2013.

Bilingual probation officers (Spanish-English) will be available. Please notify Sheila Jones in advance if an interpreter is needed.

Contact Master Probation Officer Sheila Jones at 732-869-5671 for additional information.
