## Drug Court Duplicate Filing Popup Dialog Standardization

The display order of the No and Yes buttons on the Drug Court duplicate popup alert has been changed to conform eCourts enterprise standards. No (left) indicates the duplicate filing should be abandoned for the same date, while Yes (right) confirms the duplicate filing should proceed and overwrite the existing filing, ultimately leaving a single event in PG.

## Certification to Submit Filing Popup Dialog Standardization

The Submit Filing popup dialog has been relabeled to Certification to submit filing and the disclaimer language and controls for internal or external filter now conform to eCourts enterprise standards. The new dialog continues to display from the Review and Submit screen. Filers must acknowledge reading the disclaimer before completing the submission by populating a checkbox. The R. 1:38-7 reference within the disclaimer text is a live link to the court rule document.

The disclaimer verbiage is:

- "I understand that:
  - I am required to redact confidential personal identifiers pursuant to [R. 1:38-7](#), unless otherwise required by statute, rule, administrative directive, or court order, and that the Judiciary

will neither review nor redact any documents if I include confidential personal identifiers in error.

- Once the filing is submitted it cannot be deleted without a court order. Any deletions may require the filing of a motion to delete a document from the case jacket and an amended document, where appropriate.
- If any information is entered directly into eCourts incorrectly, a court order will be required to make any corrections.
- No refunds will be offered in the event a filing with a court fee is submitted erroneously.
- By clicking the Accept button, I certify that I have reviewed ALL information and documents for accuracy prior to submitting the filing."

The summary of control changes is below:

## Defendant Number Must Be Entered to File on a Downgraded, Remanded or Dismissed Case

A filing on a criminal case is normally prohibited when the case is downgraded, remanded or dismissed. However, there may be mixed dispositions on a case with multiple defendants.

An update has been made to allow for filers to search for cases and submit filings for those defendants on a case for which the defendant-level disposition is **not** downgraded, remanded or dismissed, regardless of the overall status of the case.

Previously, if the overall status of a case was downgraded, remanded, or dismissed, filing was not allowed on any defendants on the case, even those who were still active and whose charges were not individually disposed of as downgraded, remanded or dismissed.

In order to file on a case with the aforementioned scenario, the defendant number of the defendant with a non-downgraded/remanded/dismisssed disposition must be entered. If a search is done on a case which has an overall status of downgraded, remanded or dismissed and the defendant number is not entered, an error message will continue to display.

Figure 1 – Case search where case summary data disposition is dismissed without entering defendant number

The screenshot displays the 'Judiciary eCourts System - Criminal' interface. At the top, there is a navigation bar with 'My Account', 'Home', 'Help', and 'Logout' links. The main navigation menu includes 'eCOURTS HOME', 'eFILING', 'CASE JACKET', and 'OPEN CASES'. The user information 'User: 014311978, J. GILL Firm:' is visible on the right.

The 'Select Case' section contains an error message: 'Case downgraded/remanded/dismisssed. Please re-enter your search criteria'. Below the message, it instructs the user to 'Enter one of the following and press Search to find a Case.' There are three search options:

- PROMIS/GAVEL Case No.:** A dropdown menu is set to 'WARREN', followed by input fields for '17', '000353', and an 'Optional - Defendant No.' field which is empty. A 'Search' button is to the right. An example below shows 'Atlantic', '13', and '000123'.

## Cases with Transferred/Remanded/Downgraded Primary Defendant Disposition can be Searched and Filed on by Entering a Specific Defendant Number

When searching for a PROMIS/Gavel case in which the primary defendant has a transferred/remanded/downgraded disposition, the system will now allow for filing on other defendants. The defendant number must be entered in order for the case search to return a result. If a case with a transferred/remanded/downgraded primary defendant disposition is searched without entering a defendant number, the below error message will display.

The screenshot shows the Judiciary eCourts System - Criminal interface. At the top, there is a navigation bar with "My Account", "Home", and "Help" links. Below this is the "New Jersey Courts" logo with the tagline "Independence • Integrity • Fairness • Quality Service". The main navigation bar includes "eCOURTS HOME", "eFILING", and "CASE JACKET" tabs. The user is logged in as "ATTORNEY GENERAL CRIMINAL".

The main content area is titled "Select Case". A red error message with a cross icon reads: "This case is no longer in this jurisdiction. Please enter a Defendant No., check your records or contact CUMBERLAND for specific case information." Below the error message, it says "Enter one of the following and press Search to find a Case." There are three search options:

- PROMIS/GAVEL Case No.:** A dropdown menu is set to "SALEM", followed by a text input field containing "15 000013". To the right is a label "- Optional - Defendant No.:" followed by an empty text input field and a "Search" button. Below this is an example: "Example: Atlantic 13 000123 001".
- OR**
- Indictment/Accusation No.:** A dropdown menu is empty, followed by three empty text input fields and a dropdown menu. To the right is a "Search" button. Below this is an example: "Example: Hudson 13 06 00123 I".
- OR**
- Complaint (CDR) No.:** A dropdown menu is set to "Begin typing...", followed by two empty text input fields. To the right is a "Search" button. Below this is an example: "Example: W 2013 000589 0108".

This is a close-up of the search form. It shows the text "Enter one of the following and press Search to find a Case." followed by the search options. The "PROMIS/GAVEL Case No." section is highlighted with a red box. The dropdown menu is set to "SALEM", and the text input field contains "15 000013". To the right, the label "- Optional - Defendant No.:" is followed by a text input field containing "002" and a "Search" button. Below this, the example "Atlantic 13 000123 001" is shown, with the "001" part also highlighted by the red box.

## *Pretrial Detention and Revoke Release Motion Types can be Searched by the PROMIS/Gavel Case Number When Filing*

Pretrial Detention and Revoke Release motions can now be searched by the PROMIS/Gavel (P/G) case number. Previously, to file a Pretrial Detention or Revoke Release motion, filers had to search by the complaint number (CDR). When these motion types are selected and searched by the P/G case number, the complaint number(s) associated to the selected defendant must be selected (at least one complaint number must be selected to continue filing).

**NOTE:** If more than one CDR number is associated with a defendant on a P/G case, there will be a separate, individual filing and case jacket entry for each CDR number.
