Expungement Automated System – Release Notes

10/09/2020

Expungement In-Progress Workbasket - Complete Expungement Feature Disabled

Fixed

The “Complete Expungement” feature will not be available for Public Defender users on granted drug court expungement orders where notifications are sent to notified parties’ workbasket. For more information click [here](#).

Complete Expungement Feature Disabled for Public Defender Users On Granted Drug Court Order When Notifications Are Generated

The “Complete Expungement” feature will not be available on expungement cases for which notifications are generated and displayed in the notification parties’ workbaskets.

The “Complete Expungement” feature will still be available on expungement cases for which notifications **were not** generated and displayed in the notification parties’ workbaskets. These are expungement cases for which the final order was generated prior to September 11, 2020.

Figure 1 - Complete Expungement feature not available for cases for which notifications are generated

Figure 2 - Complete Expungement feature still available for cases for which notifications are not generated

The screenshot displays the New Jersey Courts case management interface. At the top, there is a navigation bar with a home icon, a search bar, and a user profile icon. Below the navigation bar, there is a table of expungement cases. The table has columns for Expungement number, Defendant, SBI, Filing date, Expungement type, Status, Locked by, and Attention. A dropdown menu is open for the case XP-ATL-20-000098, showing options: Complete Expungement, View Expungement Case Jacket, Upload Documents, and View Attachments. A red arrow points to the 'Complete Expungement' option.
