**CASE MANAGEMENT ORDER NO. 20**  
**(Effect of Name Change By Johnson & Johnson Pharmaceutical Research & Development, L.L.C.)**

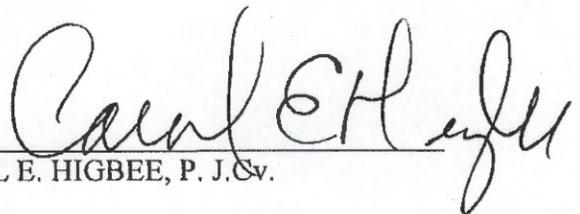

Effective December 2, 2011, the entity known as Johnson & Johnson Pharmaceutical Research & Development, L.L.C. (Former Name) has been renamed Janssen Research & Development, LLC (New Name). To avoid any confusion as to the effectiveness or applicability of stipulations, orders, and other pleadings or documents that may arise as a result of this name change,

IT IS, on this 25 day of April, 2012, hereby **ORDERED** that any and all stipulations, orders, other pleadings or documents filed in or related to this mass tort proceeding that refer to Johnson & Johnson Pharmaceutical Research & Development, L.L.C. (or any abbreviation thereof), *i.e.*, the Former Name, are hereby reformed to correctly reflect the new name of defendant, Janssen Research & Development, LLC, and are valid and enforceable as if the new name of defendant was set forth therein.

Plaintiffs who have named Johnson & Johnson Pharmaceutical Research & Development, L.L.C. as a defendant are not required to amend their complaints to reflect the entity's New Name. If a plaintiff files an amended complaint for the sole purpose of incorporating the New Name, the defendants that have already filed answers are not required to

file answers to that amended complaint.

In all future filings, documents, or proceedings related to this mass tort proceeding, the parties are encouraged to refer to this entity as Janssen Research & Development, LLC. However, absent an express statement to the contrary, any future reference to Johnson & Johnson Pharmaceutical Research & Development, L.L.C. will be deemed a reference to Janssen Research & Development, LLC.
