**MEMORANDUM DECISION**

**IN RE MIRENA  
LITIGATION**

**FILED**

**JAN 06 2015**

**BRIAN R. MARTINOTTI  
J.S.C.**

Before this Court are 18 Motions to Dismiss for Failure to Provide a Plaintiff Fact Sheet. Please see Exhibit A for a list of the 18 Plaintiffs affected by this motion.

**I. Procedural Background**

On May 13, 2013, the Supreme Court designated litigation involving the Mirena contraceptive device be consolidated as a multicounty litigation in Bergen County, New Jersey before Superior Court Judge Brian R. Martinotti. Since then, 33 Case Management Orders, in addition to the initial Case Management Order, have been issued in the pending litigation. Case Management Order #3, dated August 23, 2013, regarded the Plaintiff Fact Sheet. Paragraph 3 explains that the Plaintiff Fact Sheet (hereinafter 'PFS') is a convenient form of interrogatories and requests for document production. It is governed by the standards applicable to written discovery under Rules Governing the Courts of the State of New Jersey. Paragraph 7 requires every Plaintiff to provide Defendants' Counsel with a PFS that is "substantially complete in all respects." This means all applicable questions must be answered, there must be a signed Declaration by the Plaintiff included, duly executed release Authorizations must be provided, and responsive documents requested in the PFS must be produced to the extent they are in Plaintiff's possession.

Paragraph 17 of CMO #3 addresses non-compliance with the aforementioned requirements. Specifically, any Plaintiff who fails to comply with their PFS obligations as outlined in CMO #3 may have their claims dismissed. If Defendants have not received a PFS that is substantially complete, as previously described, from a Plaintiff within 30 days following the prescribed due date, Defendants

must send a Notice of Overdue Discovery to Plaintiff's counsel identifying the discovery overdue and explaining that unless Plaintiff complies with the Court's discovery order, the case may be dismissed. If Defendants have still not received a completed PFS within 30 days of the notice, Defendants were allowed to move before this Court for an Order dismissing the Complaint without prejudice. Upon filing, Plaintiff had 30 days to file a response either (1) certifying Plaintiff has served Defendants with a completed PFS and Defendants have received it and attaching appropriate documentation of that receipt or (2) opposing the motion.

If this Court grants Defendants' motion to dismiss without prejudice, Plaintiff has 90 days to serve Defendants with a completed PFS or move to vacate the dismissal. If Plaintiff fails to do so within 90 days after the entry of the Order of Dismissal without Prejudice, the Order will be converted to a Dismissal with Prejudice upon Defendants' motion.

## **II. The Present Motion**

Defendants filed a Motion to Dismiss the claims of 18 Plaintiffs without prejudice for failure to provide a Plaintiff Fact Sheet. Attached as Exhibit A to the Motion is a list of each individual Plaintiff, their Attorney, and the Date the Notice of Overdue Discovery was sent. These 18 Defendants, as listed in Exhibit A of this Memorandum Decision, have failed to respond to repeated requests by Defense Counsel for their PFS. All pending motions were unopposed.

The time allowed to cure has lapsed. Plaintiffs had ample notice of their outstanding discovery, as well as the consequences of failing to cure their deficiencies. For those reasons, in accordance with CMO #3, paragraph 17, this Court GRANTS Defendants' Motion to Dismiss Without Prejudice these 18 complaints for failure to provide PFS. Plaintiffs have 90 days from entry of this order to serve Defendants with a completed PFS or this dismissal without prejudice will be converted to a dismissal with prejudice upon Defendants' motion.
