Mission Statement

We are an independent branch of government constitutionally entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect the rights and liberties guaranteed by the Constitution and laws of the United States and this State.

Dear Community Member,

The Essex Vicinage Superior Court hears thousands of cases annually across its five locations within the county. Essex continually strives to improve the service provided to the surrounding community. As such, this booklet was created by the Essex Office of the Ombudsman with the purpose of providing social service and community resource information to the public. This compilation is an extension of information currently available at the courts main complex located 50 W. Market Street, Room 132 in Newark. For inquiries regarding this booklet or for assistance please call (973) 776-9300 ext. 56886 or email EssexHelp.mailbox@njcourts.gov.

Information and resources provided in this booklet include State, local government agencies and non-profit organizations. This resource has been compiled through contacting various state, non-profit agencies and through web-based research. This list is not inclusive of all the services available in the community but provides the most frequently sought after or requested agencies and services available in Essex County. Please note, inclusion in this booklet does not constitute an endorsement of any agency. Additionally, some agencies may require a referral or that you meet specific criteria to qualify for services. For a comprehensive list of social services in New Jersey call 2-1-1 from any phone or visit www.NJ211.org.

The judges and staff of the Essex Vicinage recognize that without public trust and support, the court cannot fulfill its mission. We value your input and look forward to serving you.

Sincerely,

Essex Vicinage Office of the Ombudsman

LSNJ's **CLEARING YOUR RECORD ONLINE (CYRO)** is a free online resource designed to help you expunge your criminal and juvenile records and provide you with valuable information on New Jersey's expungement law and the expungement process. **NOTE: The process tools available on CYRO were updated to reflect changes in the expungement law effective October 1, 2018, which may affect your eligibility to expunge your record. Please check our website, www.lsnjlaw.org, for updates or talk to a lawyer for up-to-date legal advice.**

CLEARING YOUR RECORD ONLINE

Expungement is designed to give those with one or very few offenses a fresh start by removing arrests and convictions from their criminal record. It is available in New Jersey to those who meet certain requirements.

LSNJ's **CLEARING YOUR RECORD ONLINE** provides several functions crucial to the expungement process:

- **Eligibility Interview**—will walk you through a series of questions and tell you whether you are eligible to expunge your adult or juvenile record.
- **Forms Creator**—using the information you provide, will generate forms you will need to file with the court for your expungement.
- **Instructional Videos**—provide step-by-step detailed information on the expungement process.

Other resources will give guidance on fee waivers and provide other information and links, in addition to our original expungement tool, the *Clearing Your Record* manual.

To access the program, please go to www.lsnjlaw.org and click on the blue **CLEARING YOUR RECORD ONLINE** icon located on the right side of the page.
