ORDER

THIS MATTER having come before the Court by way of motion filed by John C. Camassa, Esq., appearing as counsel for Defendants, Andrew C. Prestridge and Wade A. Prestridge, to compel Plaintiff to attend independent medical examinations ("IME"), and the Court having considered the papers submitted, and for good cause shown:

IT IS on this 26th day of May, 2017:

ORDERED that Plaintiff is hereby compelled to undergo an independent medical examination (IME) with Dr. Bercik on Wednesday, July 19, 2017. The Court recognizes that this is the first scheduling of these examinations. However, in light of the opposition received from Plaintiff indicating that Plaintiff will not attend the examinations with Dr. Bercik unless certain conditions are satisfied, the Court finds that the relief sought is appropriate upon the motion record presented; and it is further

ORDERED that Plaintiff shall complete, to the best of her abilities, Dr. Bercik's intake forms and answer all oral questions related to the IME at the scheduled examination. The Court concludes that responding to reasonable oral and written questions is a necessary and integral part of the IME process. See R. 4:19 ("the adverse party may require the party whose physical and mental condition is in controversy to submit to a physical or mental

examination”). Accordingly, Plaintiff shall complete Dr. Bercik’s questionnaire and answer oral questions related to the IME so that a thorough evaluation can be conducted and completed. The Court, having considered the purpose of R. 4:19, determines that it is unreasonable to require an IME physician to review and rely exclusively on discovery responses and medical records in lieu of tailored, written and oral questions at the IME. The Court’s determination is based on the fact that the record presented does not reflect that Dr. Bercik’s questions are overly intrusive, request irrelevant information or are not otherwise related to the information necessary to complete the IME. If such circumstances exist, however, a separate application for a protective order must be filed. See R. 4:10-3; and it is further

ORDERED that a third party may attend the examinations with Plaintiff. The third party may observe, take notes and/or make an audio recording of the examinations. The third party may not ask or answer any questions, or in any way interfere with the examination; and it is further

ORDERED that a transcript of any recording and a copy of any notes shall be provided to Defendants’ counsel within twenty (20) days of the date of the respective examinations; and it is further

ORDERED that if Plaintiff fails to comply with this Order, Plaintiff may be barred from producing evidence concerning Plaintiff’s physical condition at the time of trial upon separate application; and it is further

ORDERED that a copy of this Order upon all counsel of record within seven (7) days of its online posting.

X OPPOSED

____ NOT OPPOSED

Denied. Based upon motion record presented, plaintiff has not established that Dr. Ciccone is unavailable to testify at trial. Similar arguments were recently made in support of plaintiff's prior motion for reconsideration of the court's Order barring Dr. Ciccone as an expert but not a treating physician. Said arguments were similarly rejected by that Court as well.
