

New Jersey Judiciary Language Services Section

Affidavit in Support of Registration for Inclusion in the Registry of Interpreting Resources

I hereby affirm that:

1. I have studied the [Code of Professional Conduct for Interpreters, Transliterators, and Translators](#) and “[Requisite Knowledge, Skills and Abilities of Court Interpreters](#)” received from the Administrative Office of the Courts. I pledge that any interpreter provided by this agency will have been advised of the Code and will conform his or her practice while interpreting for the Judiciary to that Code.
2. I have read the [Terms and Conditions for Agencies Providing Services to the Judiciary](#) and will abide fully by them.
3. I will send only those sign language interpreters who meet the qualifications mandated by law, [N.J.S.A. 34:1-69.8\(d\)](#), if my agency ever provides sign language interpreters.
4. In its dealings with the Judiciary, this agency will provide only those interpreters who have been screened by this agency and have demonstrated that they possess the knowledge, skills, and abilities as identified by the Language Service Section.
5. This agency will determine whether any interpreter sent to any court or court support service has been tested by the Judiciary and will send only such persons who have scored at the conditionally-approved level or higher. This agency will not send any person who has been tested and scored below the conditionally-approved level.
6. This agency understands that the Judiciary will soon require all interpreters provided by agencies to go through the Judiciary’s procedures for becoming approved or registered interpreters. Once the Judiciary begins to implement that policy, this agency will cooperate by having the interpreters affiliated with it complete all pertinent requirements in a timely manner.
7. In its dealings with the Judiciary, this agency will use the names of languages used by the courts as they appear in the [Language Identification Guide](#).
8. All of the information I have provided on and with the Registration is true. If I have knowingly submitted false and/or misrepresented information, I understand that I, and this agency, may be subject to punishment, which may include, but is not limited to, removal from service.
