CASE MANAGEMENT ORDER NO. 30

THIS MATTER having come before the Court at the March 28, 2014 Case Management Conference, and the all parties having been represented by Counsel, and for good cause shown,

IT IS on this 15 day of April, 2014, **ORDERED**, as follows:

**A. CASES WHERE THERE IS NO EVIDENCE PLAINTIFF INGESTED LEVAQUIN®.**

1. Within 45 days of the date of the case management conference, that is, by May 12, 2014, each plaintiff listed in Section A of this Order shall produce medical records demonstrating that plaintiff ingested LEVAQUIN® before experiencing an alleged tendon event. In the event that plaintiff's medical records related to LEVAQUIN® ingestion have been lost or destroyed, plaintiff shall either dismiss the case voluntarily or produce a signed certification specifically stating: (1) the name and address of the healthcare provider who prescribed LEVAQUIN®; (2) the reason for which LEVAQUIN® was prescribed; (3) the day, month and year of the prescription; (4) the name and address of the pharmacy where the prescription was filled; and (5) a detailed explanation as to why records from both the prescribing healthcare provider and pharmacy have not been produced and what efforts plaintiff made to obtain medical records. If plaintiffs do not produce medical records or a certification as described above by May 12, 2014, defendants may submit an order dismissing the case, without prejudice, pursuant to Rule 4:42-1. Section A of this Order applies to the following cases:
