CASE NO. 289

MASTER DOCKET:

CIVIL ACTION

CASE MANAGEMENT ORDER NO. 5

ORDER RE COMPLETION OF FACT SHEET DOCUMENTS AND CERTAIN INTERROGATORIES TO DEFENDANTS

THIS MATTER, having come before the Court at recent Case Management Conferences, and all parties, having been represented by Counsel, and for good cause shown and the parties having

consented to the substance and entry of the Order,

IT IS on this 15 day of NOV, 2010: **ORDERED** as follows:

I. PLAINTIFF FACT SHEET:

1. Each plaintiff in an action filed in the New Jersey *In Re: Reglan Litigation* shall complete and serve upon defendants' counsel of record in that particular case and Defendants' Liaison Counsel a completed Plaintiff Fact Sheet ("PFS") with an executed verification and all requested records release authorizations, which have each been agreed to by the parties and approved by the Court and are attached hereto as Exhibit "A", within 45 days of the entry of this Order for all cases now on file. Thereafter, the completed PFS with an executed verification, records release authorizations and related documents in the form attached as Exhibit "A" shall be served within 45 days from the filing of the first notice of appearance. The documents attached as Exhibit "A" will be posted at the Court's website: http://www.judiciary.state.nj.uslmass-tortlfonns/index.htm.

2. Each plaintiff is required to provide defendants with a PFS that is substantially complete in all respects.

II. DEFENDANT'S FACT SHEET

3. Upon service of a PFS, defendants who have entered an appearance and who have been identified as a manufacturer or distributor of the Reglan or metoclopramide product the plaintiff ingested shall serve upon plaintiff's counsel of record and Plaintiffs' Liaison Counsel a completed "Defendant

Fact Sheet" (DFS), the form of which has been agreed to by the parties and approved by the Court and which is attached hereto as Exhibit "B", within 45 days from the date that the PFS is served on Defendants' Liaison Counsel as prescribed in this Order. Deficiencies in PFS shall not toll the defendant's obligation to file the DFS. If defendant claims that any of the responses or lack thereof in the PFS causes them to be unable to complete any portion of the DFS, the defendant shall complete all sections of DFS they can answer and state in response to any specific answer they cannot respond to why they cannot fully answer and what information called for in the PFS they need in order to respond. The DFS shall be completed and served on a rolling basis. The DFS will be posted at the Court's website: http://www.judiciary.state.nj.uslmass-tortlfonns/index.htm.

4. In all cases where one or more of the brand-name manufacturers is named as a defendant but not identified in the Plaintiff Fact Sheet as a manufacturer of Reglan or metoclopramide that the plaintiff ingested, the brand-name manufacturer(s) shall not be required to answer the DFS. Instead, the brand-name manufacturer(s) shall advise plaintiff whether that defendant detailed Reglan or metoclopramide or, provided Reglan or metoclopramide samples to, any healthcare provider identified in the PFS as someone who dispensed or prescribed Reglan or metoclopramide to plaintiff. However, if the case is later selected to be a bellwether, the brand-name manufacturer(s) shall answer the DFS within 45 days of notice of that determination to that defendant.

5. Nothing in the PFS or the DFS shall be deemed to limit the scope of the inquiry at depositions and admissibility of evidence at trial. The scope of inquiry at depositions shall remain governed by New Jersey law. The admissibility of information in the PFS and the DFS shall be governed by New Jersey law and no objections are waived by virtue of any fact sheet response.

6. Nothing in the PFS or DFS shall limit the scope of the pretrial discovery in any

individual case.

III. CERTAIN INTERROGATORIES TO DEFENDANTS

7. Each defendant that has entered an appearance in an action filed in the New Jersey *In Re: Reglan Litigation* shall complete and serve upon Plaintiffs' Liaison Counsel a set of responses to interrogatories denoted as *Interrogatories to Defendants Regarding Contacts With The State of New Jersey*, with an executed verification, which are attached hereto as Exhibit "C", within 45 days of the entry of this Order. The interrogatories denoted as *Interrogatories to Defendants Regarding Contacts With The State of New Jersey* will be posted at the Court's website: http://www.judiciarv.state.nj.uslmass-tortlfonns/index.htm.

8. Nothing in these interrogatories shall be deemed to limit the scope of the inquiry at the depositions and admissibility of evidence at trial. The scope of inquiry at depositions shall remain governed by New Jersey law. The admissibility of information in these interrogatories shall be governed by New Jersey law and no objections are waived by virtue of any response thereto.

9. Nothing in these interrogatories shall limit the scope of the pretrial discovery in any individual case.

V. REMEDY FOR ALLEGED FACT SHEET DEFICIENCIES

10. If a party fails timely to submit a Fact Sheet, or if a Fact Sheet is received in the allotted time but is not substantially complete in all respects, Liaison Counsel shall send a deficiency letter via e-mail to opposing Liaison Counsel and to the individual counsel for the party so involved. The deficiency letter shall include sufficient detail for counsel of record for defendant(s) and/or plaintiff(s) to

meet and confer regarding the alleged deficiency or deficiencies.

11. Not later than fifteen (15) days from the date of transmission of the deficiency letter, the party receiving such letter shall cure the deficiency or deficiencies, or shall advise opposing Liaison Counsel of the desire to conduct a meet and confer to attempt to resolve any disputes regarding the alleged deficiency or deficiencies, which shall be conducted as soon as is reasonably practicable.

12. In the event of the failure, in accordance with paragraph 11 above, to either timely cure the alleged deficiency or deficiencies or to request a meet and confer, an application may be made to the Court in the nature of a motion to compel a further response to the Fact Sheet. In the event that a meet and confer is conducted, but fails to reach a successful conclusion, any party may make an application to the Court in the nature of a motion to compel or motion for a protective order.

13. Nothing herein shall derogate from the rights of any party to pursue any remedies and protections available under the New Jersey Court Rules. However, any discovery motions relating to deficient fact sheets will be strongly disfavored unless the moving party can certify that it has exhausted its remedies under the terms of this Order prior to filing its motion.

IT IS SO ORDERED:

Dated: November 15, 2010
