IN RE: ZOSTAVAX LITIGATION

SUPERIOR COURT OF NEW JERSEY
LAW DIVISION: MIDDLESEX COUNTY

MCL NO. 629

CASE MANAGEMENT ORDER:
PLAINTIFF FACT SHEETS

FILED
JUN 12 2019

Judge James F. Hyland

THIS MATTER having come before the Court with the Consent of all Counsel, and for good cause having been shown, the Court hereby enters the following order:

IT IS on this 12th day of July March, 2019, **ORDERED** as follows:

I. SCOPE OF ORDER

This Case Management Order (“CMO”) governs the form and schedule for service of Plaintiff Fact Sheets (“PFS”) and executed authorizations for the release of records by plaintiffs in all cases that are currently pending in MCL 629 or subsequently transferred to MCL 629.

II. PLAINTIFF FACT SHEETS

A. Service of PFS and Responsive Documents

1. Form and Completion of PFS

The form of PFS that shall be used in MCL 629 is attached as **Exhibit A**. Plaintiffs shall complete and serve upon Merck a PFS, the documents requested in Part VI of the PFS that are in plaintiff’s possession, and other sources of information and documents identified in the PFS.¹

¹ Plaintiffs are not required to provide signed authorizations allowing for the release to of medical, insurance, employment, Medicare/Medicaid, and Social Security records when serving their PFS.

Plaintiffs shall serve the PFS and responsive documents according to the schedule set forth in Section II(B) of this CMO.

To the extent any documents or responses are withheld on the grounds of privilege, plaintiffs shall identify the privilege being asserted in their respective PFSs. Each PFS must be verified and dated by the plaintiff or the proper plaintiff representative.

All responses in the PFS or an amendment thereto are binding on the plaintiff as if they were contained in responses to interrogatories under New Jersey Court Rule 4:17-1 and responses to requests for production of documents under New Jersey Court Rule 4:18-1 and shall be supplemented in accordance with New Jersey Court Rules 4:17-7 and 4:18-1(b).

B. Schedule for Service of PFS

1. Cases Currently Pending in MCL 629

All plaintiffs whose cases are pending in MCL 629 as of the date of this CMO, and who have not already responded to interrogatories and document requests served by Merck, must serve Merck with a complete and verified PFS and responsive documents according to the schedule attached hereto as **Exhibit B**.² For cases filed in or transferred to this MCL subsequent to the date of this CMO, plaintiffs must serve Merck with a complete and verified PFS and responsive documents within sixty (60) days of the date that Merck answers or moves to partially dismiss the plaintiff's Complaint.

Should Merck move to dismiss a plaintiff's Complaint in its entirety, that plaintiff will have no obligation to serve a complete and verified PFS, responsive documents, and authorizations at that time. Should Merck's motion be denied, Merck shall answer pursuant to the time limits imposed by the New Jersey Court Rules or further Order of this Court, and the plaintiff shall have

² Beginning June 1, 2019, PFSs will be served in groups of approximately 300 per month. The order of service will be determined by complaint filing date.

forty-five (45) days of the date that Merck answers to serve Merck with a complete and verified PFS, responsive documents, and authorizations.

2. Cases Later Made Part of MCL 629

For any plaintiff whose case is not pending in MCL 629 as of the date of this CMO, but whose case is later filed in, transferred to, or reassigned to MCL 629, such plaintiff must serve Merck with a complete and verified PFS and responsive documents within sixty (60) days from the date Merck answers or moves to partially dismiss the plaintiff's Complaint.

Should Merck moved to dismiss a plaintiff's Complaint in its entirety, that plaintiff will have no obligation to serve a complete and verified PFS, responsive documents, and authorizations at that time. Should Merck's motion be denied, Merck shall answer pursuant to the time limits imposed by the New Jersey Court Rules or further Order of this Court, and the plaintiff shall have forty-five (45) days of the date that Merck answers to serve Merck with a complete and verified PFS and responsive documents.

C. Service of PFS

The PFS and responsive documents shall be served electronically on Defendants' Liaison Counsel at the following email address: ZostavaxMCL_PFS @venable.com. The production of a PFS and responsive documents in hard copy is strongly discouraged. Concurrent with service to Merck, plaintiffs shall serve the completed PFS, responsive documents, and authorizations upon the Plaintiffs' Liaison counsel by sending an email to the following email address: zostavax-nj@bernlip.com. Plaintiffs' Liaison counsel as well as any duly authorized agents or designees of the Plaintiffs' Liaison counsel shall be permitted to review any and all PFSs and accompanying medical and other records.

D. Failure to Serve PFS

If any plaintiff wholly fails to produce a PFS by the deadlines set forth above in Section II(B), counsel for Merck shall notify Plaintiffs' Liaison Counsel, and counsel for that plaintiff, in writing of the failure to produce the PFS within the deadline. The notice letter will state that the failure to produce a PFS within fourteen (14) days of the date of the notice letter will result in Merck filing an order to show cause as to why an order should not be issued dismissing plaintiff's case with prejudice.

E. Claims by Merck That a PFS Contains Material Deficiencies

In the event that Merck contends that a PFS contains material deficiencies, Merck may send a deficiency letter to plaintiff's counsel by email, which shall identify with specificity the purported deficiencies. Plaintiffs will have thirty (30) days from receipt of a deficiency letter to cure deficiencies noted in the PFS and/or authorizations. In the event that the purported deficiencies have not been cured in this thirty (30) day period, Merck may then submit to the court a motion to compel.

IT IS SO STIPULATED, THROUGH COUNSEL OF RECORD.

PLAINTIFF FACT SHEET

Each plaintiff who alleges personal injury as a result of receiving a Zostavax vaccination must complete a Plaintiff Fact Sheet ("PFS").

Each question below must be answered in full and you must provide information that is true and correct to the best of your knowledge. Do not leave any questions unanswered or blank unless the information is protected by the attorney-client privilege, the work-product doctrine, or any other privilege recognized by the New Jersey Rules of Evidence and New Jersey Court Rules. Where you are claiming the protection of any privilege or the work product doctrine, the nature of the privilege must be stated. If you do not know or cannot recall the information requested, please indicate that in your response. To the extent you cannot completely answer any question, please provide whatever information is available to you and, as to any information requested that you do not know, please identify what part of the request you cannot answer. You may and should consult records in your possession that contain responsive information to assist you in responding.

In completing this PFS, please use the following definitions: (1) "**Zostavax**" refers to a live attenuated virus vaccine indicated for prevention of herpes zoster (shingles) that is manufactured and marketed by Merck; (2) "**you**" refers to the person who received Zostavax, unless otherwise specified; (3) "**Plaintiff**" refers to the person bringing a claim in this lawsuit; (4) "**Health Care Provider**" means any provider of healthcare, including physicians, osteopaths, medical doctors, psychologists, psychiatrists, nurses, nurse practitioners, physician assistants, school nurse practitioners, dentists, dental hygienists, orthodontists, oral surgeons, lay therapists, rehabilitation specialists, counselors, physical therapists, pharmacists, mental health specialists, and alternative health care practitioners such as, but not limited to, chiropractors, acupuncturists, herbalists, or homeopathic medicine specialists; and (5) "**document**" means any writing or record of any type in your possession or the possession of your attorney, including, but not limited to, written documents, electronic documents, e-mails, cassettes, videotapes, DVDs, photographs, medical records, charts, computer discs, tapes, or COs, x-rays, drawings, graphs, non-identical copies, and other data from which information can be obtained and translated, if necessary, through electronic devices into a reasonably usable form. **You may attach as many sheets of paper as necessary to fully answer these questions.**

If you are completing this PFS in a representative capacity on behalf of someone who has died or who otherwise cannot complete the PFS, please answer as completely as you can for that person. Those questions using the term "You" refer to the person whose treatment involved the receipt of Zostavax. If the individual is deceased, please respond as of the time immediately before his or her death unless a different time period is specified.

You must supplement your responses if you learn that they are incomplete or incorrect in any material respect.

If you have any documents that you are requested to produce as part of this PFS that relate to Zostavax or other medications or other vaccines that you have received, or that relate to the incident, injuries, claims and/or damages that are the subject of your complaint, you must NOT dispose of, alter, or modify these documents or materials in any way. You are required to give all of these documents and materials to your attorney as soon as possible. If you are unclear about these obligations, please contact your attorney.

Information provided will only be used for purposes related to this litigation and may be disclosed only as permitted by the Protective Order in this litigation. This Fact Sheet is completed pursuant to the New Jersey Court Rules governing discovery.
