SUPREME COURT OF NEW JERSEY

It is ORDERED that, effective July 14, 2008, and until further order, the following Superior Court judges are designated as "Communications Data Warrant Judges" to receive applications for and issue communications data warrants and communications information orders. Communications data warrants are required to obtain telephone toll billing records, installation of pen registers (mechanical devices that record the number dialed on a telephone), warrants requiring the provider of an electronic communications service to disclose the contents of an electronic communication (electronic communications disclosure warrants), or an inprogress trace or a trap-and-trace device. Communications information orders are required to obtain disclosure of a record, other than toll billing, or other information pertaining to a subscriber or a customer of a wire or electronic communications service or remote computing service.
