

NOTICE TO THE BAR

Attorney Online Registration & Payment Center

The New Jersey Lawyers' Fund for Client Protection is pleased to announce that the Attorney Online Registration and Payment Center is open for payment of the 2010 assessment. Attorneys who used the Center previously can log-in to register and pay with a MasterCard, Visa, or American Express credit card. Attorneys in good standing who have not yet used the Center will be able to do so later after receiving the 2010 billing form. The form will include individualized log-in details. Firms may pay for groups of attorneys if the individual attorneys have completed the registration portion of the process. If you have forgotten your password, please use the reset password link in the upper right hand corner. If you paid online last year & have not received an email notification, please ensure your email address is current.

The link, Attorney Online Registration and Payment Center, is located to the right of the picture of the brass scales on the Judiciary's home page at www.njcourtsonline.com. The deadline for payment without the \$40 late fee is April 30, 2010. Attorneys who do not receive the billing form by April 9, 2010 should contact the Fund at (609) 292-8079.

Your continued support makes possible the good work of the Fund, the Disciplinary System, the Lawyers Assistance Program, and the Board on Continuing Legal Education. Thank you.

Kenneth J. Bossong
Director, New Jersey Lawyers' Fund
