

NOTICE TO THE BAR

Subsequent to the February 1, 2012 publication of the Approved Trust Account Depositories List, the Office of Attorney Ethics received notice that Cathay Bank no longer wishes to participate in the program.

Within the next 30 days, attorneys or law firms having trust accounts with Cathay Bank should move those accounts to one of the other approved banks on the list and provide the updated account information to the Office of Attorney Ethics. Business accounts are not affected by this notice.
