

NOTICE TO THE BAR

DENIAL OF APPLICATION FOR MULTICOUNTY LITIGATION DESIGNATION OF NEW JERSEY STATE COURT TYLENOL LIVER CASES

A previous Notice to the Bar sought comments on an application for the designation of all New Jersey state-court litigation involving allegations of liver injuries caused by Tylenol products as Multicounty Litigation (“MCL”). That application was submitted pursuant to Rule 4:38A and the Revised Multicounty Litigation Guidelines as promulgated by Directive #8-12. This Notice is to advise that the Supreme Court, after considering the application and all comments received, has determined not to grant the application. Accordingly, all cases involving allegations of liver injuries caused by Tylenol products should continue to be filed in the appropriate counties of venue.

This Notice will also be posted on the Judiciary’s Internet website (njcourts.com) in the Multicounty Information Center (<http://www.judiciary.state.nj.us/mass-tort/index.htm>).
