It is FURTHER ORDERED that the judges so designated by this Order as Wiretap Judges shall each have statewide jurisdiction for purposes of the Act; thus any applications made under the Act may be made to any such designated judge at the election of the applicant; and

It is FURTHER ORDERED that, in the absence or unavailability of the designated judge who authorized a particular interception, the applicant may make any further applications to or take any further action appropriate under the Act before any other judge designated by the Order; provided, however, that orders to seal tapes, wires, and all other recordings may be entered by (1) any other designated Wiretap Judge, or (2) the designated Communications Data Warrant Judge in the county or vicinage in which the investigation occurred, or (3) the Assignment Judge or Acting Assignment Judge for the county or vicinage in which the judge who authorized the interception sits; and

It is FURTHER ORDERED that this Order shall supersede any and all prior orders designating judges to receive applications for, and to enter, orders authorizing interceptions of wire, electronic, or oral communications under the Act, and any and all prior orders designating judges authorized to seal tapes, wires and other recordings.
