

The Middlesex Vicinage is upgrading its telephone service to a new Voice over Internet Protocol (VoIP) system. The change will help ensure prompt and reliable communication between the public and the court. This necessitates the implementation of new telephone and fax numbers for all Middlesex Vicinage offices and chambers.

Effective September 29, 2017, the new main telephone number for the Middlesex Vicinage will be (732) 645-4300. The Auto Attendant will guide callers through the main menu and new telephone directory for all divisions.

Information about the new telephone numbers will be posted at njcourts.gov/Middlesex. Links to updated directories for judges and vicinage offices are posted below:
