

NOTICE TO THE BAR

DENIAL OF APPLICATION FOR MULTICOUNTY LITIGATION DESIGNATION OF NEW JERSEY STATE COURT CASE INVOLVING THE STRYKER TRITANIUM ACETABULAR SHELL

A previous Notice to the Bar sought comments on an application for designation as Multicounty Litigation (MCL) of New Jersey state cases against manufacturer Howmedica Osteonics Corp., d/b/a Stryker Orthopaedics alleging injuries as a result of implantation of the Stryker Tritanium Acetabular Shell. That application was submitted pursuant to Rule 4:38A and the Multicounty Litigation Guidelines and Criteria for Designation (Revised) as promulgated by Directive #02-19. This Notice is to advise that the Supreme Court, after considering the application and all comments received, has determined not to grant the application. The Court based its denial on the limited number of cases at present. Accordingly, all cases involving the Stryker Tritanium Acetabular Shell should continue to be filed in the appropriate counties of venue.

This Notice will also be posted on the Judiciary's Internet website (njcourts.gov) in the Multicounty Information Center (<https://www.njcourts.gov/attorneys/mcl/index.html>)
