

NOTICE TO THE BAR

SECURITY MEASURES FOR ACCESSING JUDICIARY SYSTEMS - ENHANCEMENT OF TWO-FACTOR AUTHENTICATION PROCESS TO ALLOW FOR ADDITIONAL EMAIL ADDRESSES AND CELL PHONE NUMBERS

As earlier advised by [Notice](#) dated May 13, 2021, two-factor authentication is now in place as an information security requirement for attorneys accessing any Judiciary application. Two-factor authentication requires attorneys to authenticate their account after receiving a security code at the cell phone number or email address provided by the attorney during annual attorney registration.

This notice is to advise that effective immediately, attorneys will be permitted to provide two additional email addresses and two additional cell phone numbers to receive the two-factor verification code. Attorneys can add the additional email addresses and cell phone numbers by accessing their two-factor profile via the [attorney portal](#). Once an attorney's two-factor profile has been updated with that additional information, any of the associated email addresses and cell phone numbers may be used to receive the two-factor authentication code.

Questions regarding this notice may be directed to the Superior Court Clerk's Office at SCCO.mailbox@njcourts.gov or 609-421-6100.
