

NOTICE TO THE BAR

MULTICOUNTY LITIGATION (MCL) – PROPOSED CONCLUSION OF ACCUTANE MULTICOUNTY LITIGATION DESIGNATION

By Order of May 2, 2005, the Supreme Court designated all New Jersey state court Accutane litigation as mass tort and assigned that litigation for centralized management to Atlantic County Superior Court for handling by the then mass tort judge in that vicinage. The litigation is presently assigned to Superior Court Judge John C. Porto. Judge Porto has reported to the Administrative Director of the Courts that all remaining active cases have been resolved and that MCL designation and centralized management of that litigation should therefore be concluded.

Accordingly, pursuant to the provisions of Court Rule 4:38A and Directive #02-19, “Multicounty Litigation Guidelines and Criteria for Designation (Revised),” this Notice is to advise of the proposed conclusion of the MCL designation and centralized management of the New Jersey state-court Accutane litigation.

Anyone wishing to comment on or object to this application should provide such comments or objections in writing, with relevant supporting documentation, by **March 14, 2022** to:
