

NOTICE TO THE BAR

MULTICOUNTY LITIGATION (MCL) -- PROPOSED CONCLUSION OF MCL DESIGNATION OF THE FIREFIGHTER HEARING LOSS LITIGATION

By Order of September 26, 2017, the Supreme Court designated all New Jersey state court litigation involving hearing loss by firefighters exposed to excessive noise from certain fire engine sirens manufactured by Federal Signal Corporation as multicounty litigation (MCL) and assigned it to Atlantic County for centralized management. By Order of April 15, 2019, the MCL was reassigned to Superior Court Judge John C. Porto. Judge Porto has reported to the Administrative Director of the Courts that all active litigation has resolved and that the MCL designation of the Firefighter Hearing Loss Litigation therefore should be concluded.

Accordingly, pursuant to the provisions of Court Rule 4:38A and Directive #02-19, "Multicounty Litigation Guidelines and Criteria for Designation (Revised)," this Notice is to advise of the proposed conclusion of the MCL designation of the New Jersey state-court Firefighter Hearing Loss Litigation.
