Registration Deadline Approaches for New Jersey Attorneys to Pay Annual Fee

The April 26 deadline for New Jersey attorneys to renew their annual registration and pay their annual fee is quickly approaching, announced Glenn A. Grant, acting administrative director of the New Jersey Courts.

“The Attorney Online Registration and Payment Center is the most convenient way for attorneys to renew their annual registration,” said Judge Grant. “Attorneys can pay their annual fee at any time, from any location, and receive instant confirmation that their payment has been received.”

To get to the payment center, go to njcourts.com and look for the payment center on the right side of the page.

Attorneys who have used the payment system previously can go to njcourts.com and enter their user names and passwords. Those who previously registered online have already received electronic reminders to renew through the Judiciary website.

Attorneys in good standing who have never used the online payment center received a paper bill with their individualized login details in mid- March.

Using the online registration process ensures that the registration is timely and that reporting requirements for continuing legal education are fulfilled.

Firms can pay for groups of attorneys if the individual attorneys have completed the registration portion of the process.
