Camden Vicinage to Celebrate Graduation of JOBS Participants

The Camden Vicinage will celebrate the graduation of 17 participants from the Judiciary Opportunities for Building Success (JOBS) Program on Thursday, Nov. 10 at 10 a.m. at Rutgers University-Camden.

The graduates were trained through Apex Solutions Group, which runs a 12-week program that provides education and basic construction skills, including carpentry, electrical work, resume writing, job interview preparation, leadership, financial literacy, and project management.

The graduates will be integrated into jobs with the EMR recycling company in Camden, where they can use the skills they learned in the program.

The JOBS Program partners with local employers to provide employment and job training, as well as professional development, for recovery court participants and those on probation.
