Monmouth Vicinage to Celebrate Graduation of JOBS Participants

The Monmouth Vicinage will celebrate the graduation of 12 participants from the Judiciary Opportunities for Building Success (JOBS) Program on Thursday, Nov. 10 at 10:30 a.m. at Brookdale Community College's Long Branch campus.

The graduates, who were trained through Apex Solutions Group, successfully completed a Certified Project Management training program. The 10-week train-to-hire program concentrated in Certified Associate in Project Management (CAPM) and provided extensive preparation for the certification exam. The classes also focused on topics such as job preparation and readiness, financial literacy, and ethics/integrity. The CAPM certification will enable the graduates to obtain positions in project management and business analysis.

The JOBS program partners with local employers to provide employment and job training, as well as professional development, for recovery court participants and those on probation.
