Jersey, Law Division, Essex County, Indictment
No. 15-06-1511.

PER CURIAM

Appellant All USA Bail Bonds appeals from a September 18, 2015 order denying its motion for exoneration as surety and discharge of a \$35,000 bond it posted for defendant Nygera Arrington's release on bail on aggravated assault charges. We are advised the charges against Arrington have been resolved and that, as a result, the bond has been discharged or will be discharged upon appellant's request.

We dismiss the appeal as moot. See Finkel v. Twp. Comm., 434 N.J. Super. 303, 315 (App. Div. 2013) ("[O]ur courts often decline to review legal questions that have become academic prior to judicial scrutiny, out of reluctance to render a decision in the abstract on such moot issues and a related desire to conserve judicial resources."). We are also satisfied the issues presented are not "of significant public importance," ibid., and are otherwise fact-sensitive and therefore not "'capable of repetition, yet evading review' because of the short duration of any single plaintiff's interest," ibid. (quoting In re Conroy, 190 N.J. Super. 453, 459 (App. Div. 1983), rev'd on other grounds, 98 N.J. 321 (1985)).

Dismissed as moot.
